WELCOME TO RIVENDELL

20 years after the release of *The Return of the King™*, the spectacular *The Lord of the Rings™* trilogy remains one of the most significant works of film art of our time. How can you possibly choose a favourite scene or moment? In the darkest of times, Rivendell, the majestic home of the Elves, is a tranquil, flourishing haven of healing, hope, calm resolve and unification. In a pivotal meeting here, representatives of the peoples of Middle-earth forge *The Fellowship of the Ring™* to destroy the One Ring to Rule Them All.

The fellowship of LEGO® Designers

A FELLOWSHIP OF LEGO® DESIGNERS

As part of a fellowship of model, element and graphic designers from around the world, we embarked on a journey to capture the magic of this place. Using soundstage blueprints from the films as a reference, we took some artistic liberties to combine our favourite features. This 6,000 LEGO® brick recreation of the iconic Imladris, The Last Homely House East of the Sea, is a detailed slice of Rivendell in LEGO minifigure scale, full of memorable story moments and beloved characters.

CLASSIC SCENES FROM LEGO® *THE LORD OF THE RINGS™*

From the arrival of Gandalf the Grey™ in the Shire to the final battle against the King of the Dead on the shores of Minas Tirith, travel through some of the classic scenes from previous LEGO® *The Lord of the Rings™* sets released in 2012-2013.

9469
GANDALF™ ARRIVES

Gandalf the Grey travels to the Shire for the 111th birthday of his friend Bilbo Baggins. Here he meets young Frodo Baggins, and the adventure begins.

79006
THE COUNCIL OF ELROND

The people of Middle-earth have been summoned to Rivendell for The Council of Elrond. Here they will determine the fate of the One Ring.

9473
THE MINES OF MORIA™

The heroic Fellowship of the Ring faces evil Moria orcs and a giant cave troll in Balin's Tomb in the bone-chilling, abandoned Mines of Moria.

9474
THE BATTLE OF HELM'S DEEP™

The walled fortress at Helm's Deep and the people of Rohan are under attack by Saruman's barbaric Uruk-hai army.

10237
THE TOWER OF ORTHANC

The biggest LEGO® The Lord of the Rings™ set at the time of its release (with 2,357 parts) features six floors with iconic minifigure characters and scenes.

79008
PIRATE SHIP AMBUSH

Sauron's Mordor orcs prepare to greet their allies aboard the pirate ship, only to face Aragorn, Gimli, Legolas and the Army of the Dead instead.

THE TOWER

During his stay at Rivendell, Bilbo completes his book There and Back Again at his desk in the Tower.
A secret hiding place at the Tower's base is just big enough to conceal a fugitive or keep the One Ring away from prying eyes.

Frodo features dual-moulded legs to show his bare feet, a signature trait of Hobbits of the Shire. He also bears the One Ring, brought to Rivendell for the council to decide its fate.

FRODO BAGGINS

Bilbo features a new 2-sided head decoration, including the frightening face he briefly reveals as he tries to take the Ring from Frodo.

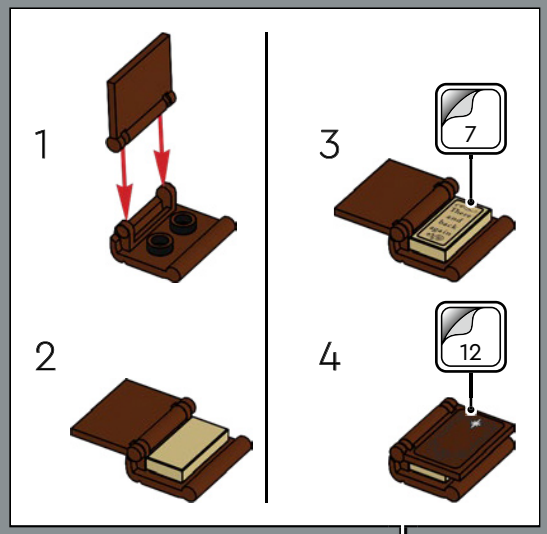
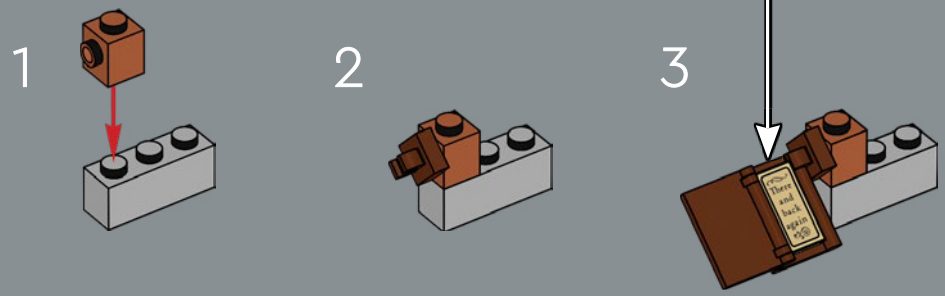
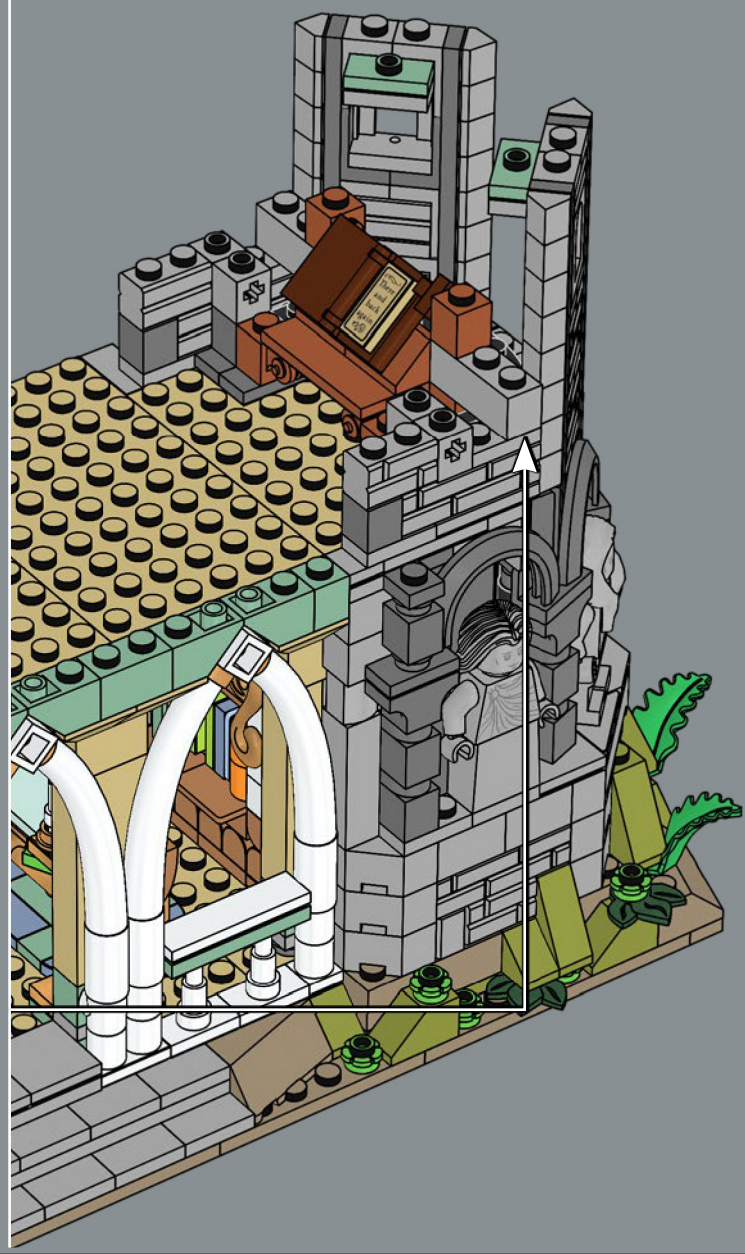
Not only is this a great location to write a book, but this desk also provides critical structural stability for the roof and tower that will be attached later.

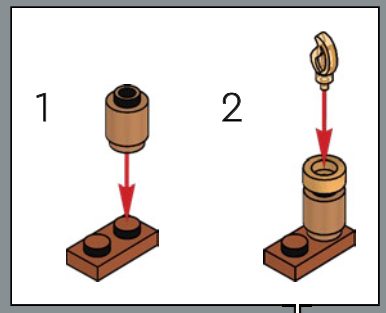
135

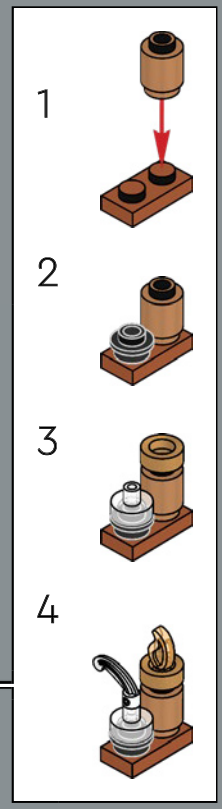


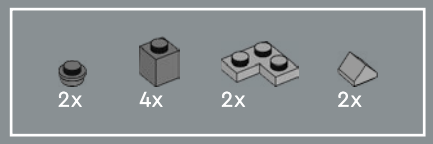




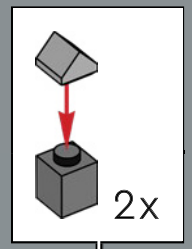
136







137



This is the first time in a LEGO® model we get to meet 111+-year-old Bilbo. Don't let him see the Ring or he might get a bit too excited!

Each of the 94 1×1 tiles of the roof should be mounted at a 45-degree angle. Running a long plate or tile through the grooves once the parts are in place is a great way to align them all.

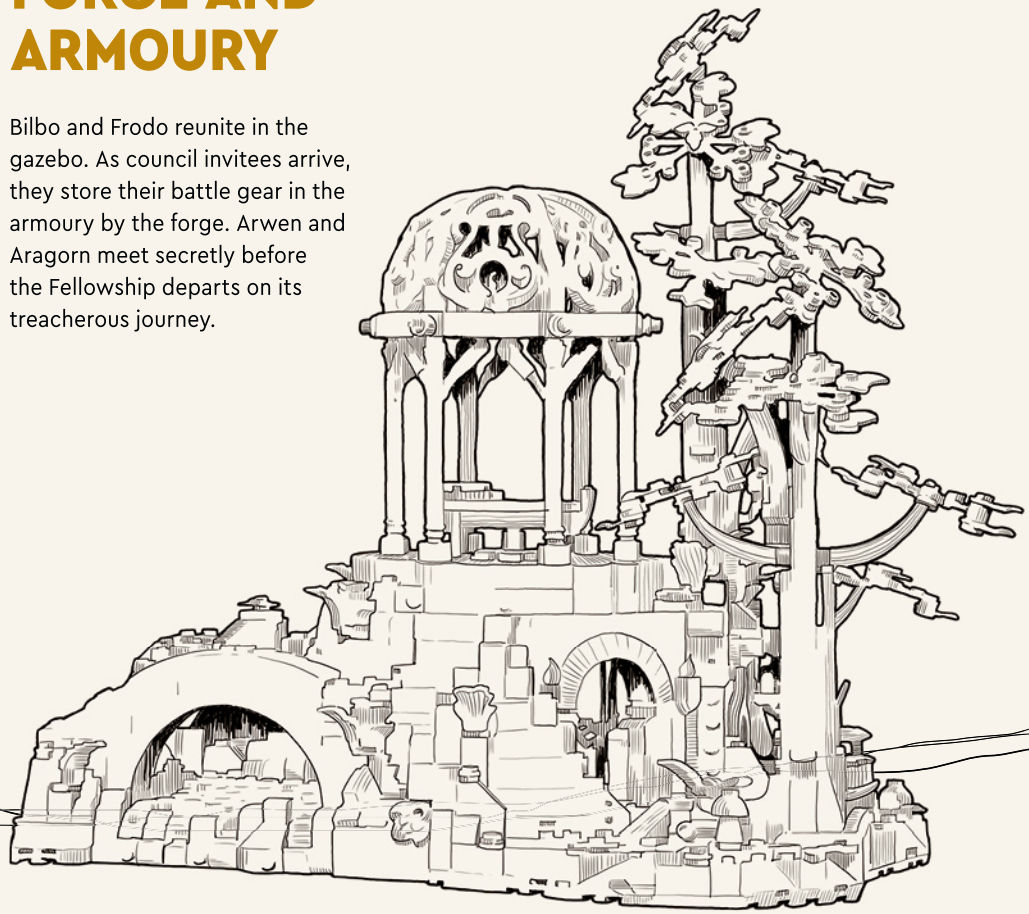
THE RIVER, FORGE AND ARMOURY

Bilbo and Frodo reunite in the gazebo. As council invitees arrive, they store their battle gear in the armoury by the forge. Arwen and Aragorn meet secretly before the Fellowship departs on its treacherous journey.



Arwen appears in her Elvish gown, complete with the Evenstar pendant she gifts to Aragorn in The Fellowship of The Ring.

ARWEN

Gimli wears his decorated battle helmet while wielding his brand-new axes. Gimli has been designed so he is taller than a Hobbit, but shorter than an Elf.

GIMLI

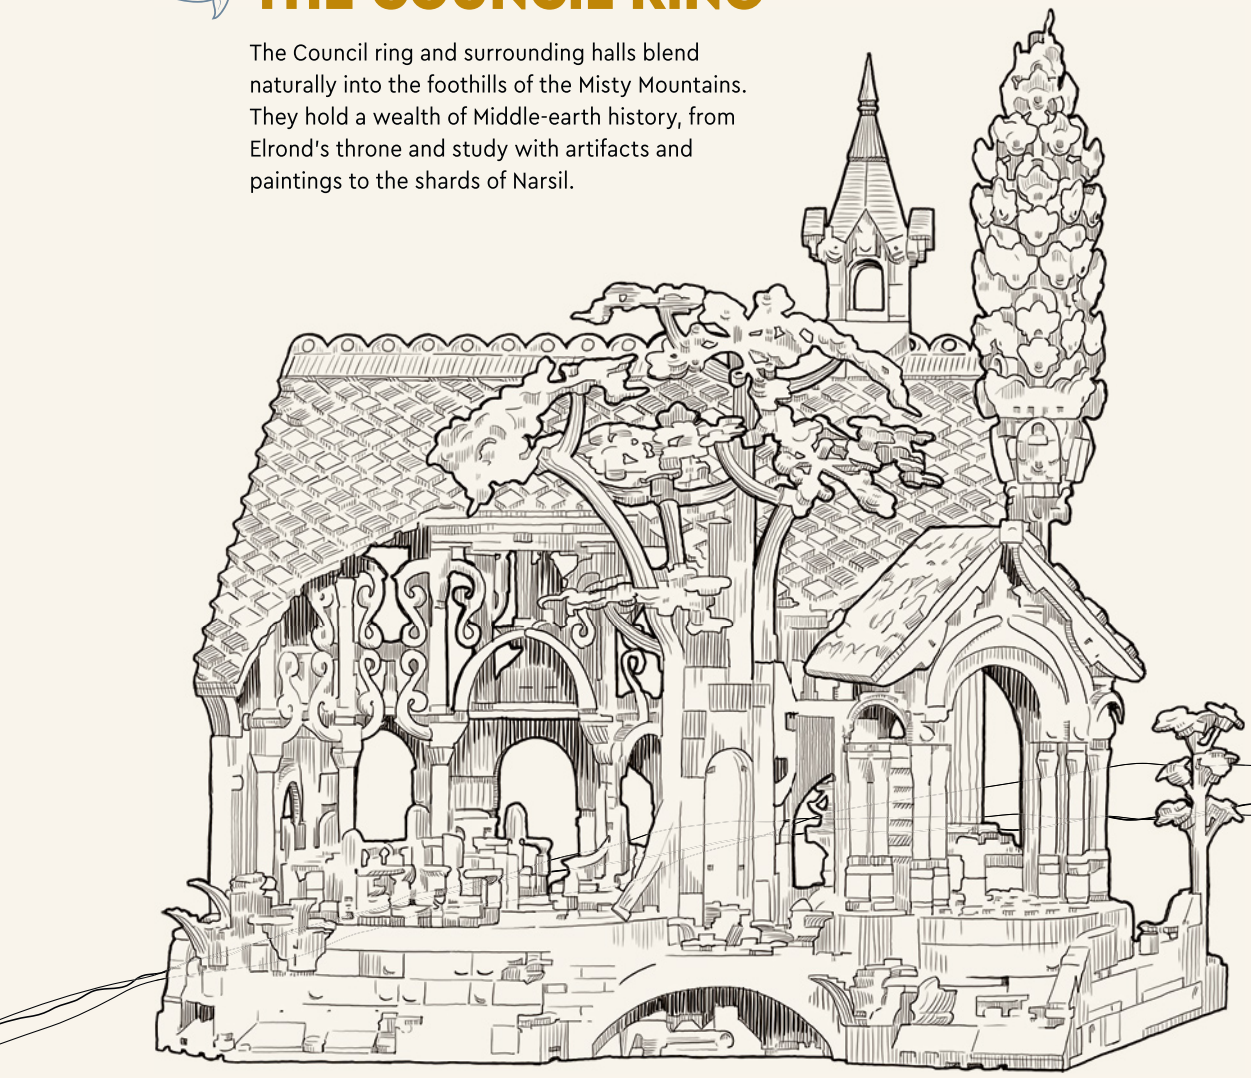
THE COUNCIL RING

The Council ring and surrounding halls blend naturally into the foothills of the Misty Mountains. They hold a wealth of Middle-earth history, from Elrond's throne and study with artifacts and paintings to the shards of Narsil.



Boromir features a new sword design to represent the Sword of Gondor and his trusty round battle shield.

BOROMIR

Elrond has a newly designed, dual-moulded wig element with distinct colours used for the ears and hair.

ELROND

MERRY AND PIPPIN

Merry and Pippin wear their travelling outfits and cloaks. Like Frodo, they have dual-moulded legs that show their bare feet.

Nougat chairs built with hotdogs and popsicles;
we might have been hungry that day...

These racks can store all the extra weapons when not in use.
They fit nicely inside the armoury by the forge.
